

**For this project you will need:**

- 2 Popeze® PopBlocks
- 9 Popeze® Hinges
- 1 copy of this sheet, printed on card stock.
- 1 Card (A2 size).

**Directions:**

Cut out all parts parts, crease along fold lines. Peel 2 PopBlocks from sheet and assemble. Place on card along fold line as shown in Fig. 1 with Pistil & Stamens piece sandwiched in between. Make a six sided loop out of Base piece. Close loop with a Hinge on the inside of the loop. Attach Base piece loop to PopBlocks as shown in Fig. 2. Attach a hinge to bottom of a Petal and attach Petal to side of base as shown in Fig. 3. Repeat for each petal. Carefully place one hinge on the top of each of the two PopBlocks with the hinge's fold line facing away from the Stamens and the sticky side out. Attach hinge to top of PopBlock as in Fig.3. Fit Base Cover over Pistil & Stamens piece. With Hinges closed press to attach Base Cover to Hinges. Carefully close card and press to be sure all Popeze® parts are properly attached.
