Popeze® FlipFlap Retro Xmas Tree.

For this project you will need a color print out of this sheet on plain paper, an A2 card and one FlipFlap.

1) Cut out Retro Xmas Tree below. Cut away all the lines.
2) Peal off one Popeze® FlipFlap from sheet. Bend slightly along score lines.
3) Fold FlipFlap in Half with sticky side out. See Fig. 1.
4) Place FlipFlap on card with Sticky Dot up, Placement Point side down and point touching the fold
   line as in Fig. 2. Press down to attach point side to card.
5) Fold tree in half down the middle. Slip tree onto the FlipFlap with one side of tree on each side of
   FlipFlap. Line up fold of FlipFlap with fold of tree.
6) Press to attach tree to Sticky Dot. Be sure tree does not cross bend lines.
7) Fold card closed and press on FlipFlap to attach to other side.
8) Open and enjoy! Fig. 4.
